Tradermath VOF makes every effort to keep this website up-to-date and accurate. If you do come across something that is incorrect or outdated, we would appreciate it if you let us know. Please indicate where you read the information on the website. We will then look into this as soon as possible. Send your response by email to: info@tradermath.org.

We do not consider ourselves liable for damage as a result of inaccuracies or incompleteness, nor for damage resulting from problems caused by or inherent in the distribution of information via the internet, such as malfunctions or interruptions. When using web forms, we strive to keep the number of fields that must be filled in to a minimum. Tradermath VOF is not liable for any damage suffered as a result of the use of data, advice or ideas provided by or on behalf of Tradermath VOF via this website.

Use of the website and all of its components (including forums) is subject to the terms & conditions. The mere use of this website implies knowledge and acceptance of these terms.

Replies and privacy requests submitted via email or via a web form are treated in the same way as letters. This means that you can expect a response from us within one month at the latest. In case of complex requests, we will let you know within 1 month if we need a maximum of 3 months.

Any personal data you provide to us in response to your response or request for information will only be used in accordance with our privacy statement.

Tradermath VOF makes every effort to protect its systems against any form of illegal use. Tradermath VOF will take appropriate technical and organizational measures to this end, taking into account, among other things, the standards of technology. However, it is not liable for any damage, direct and/or indirect, suffered by a user of the website, which arises as a result of the unlawful use of its systems by a third party.
